

Huseyin CEVHER

DESIGNER & FILM MAKER

PROFILE

I'm Cevher. I'm 28 years old. I have been a professional graphic designer since 2010. I've done video shooting and editing together with photography for the last 5 years. I really love my job and that's why I look forward to video production as a continuation of my career goal on video production. I am satisfied with the wonderful pleasure of shooting videos, editing them, and being able to produce a piece according to the rhythm of the music. I'm open to working remotely full time
